A F F I L I A T E S U P P O R T P R O G R A M

**“AT LAST, A STRONG, AUTHORATIVE
INDUSTRY ALLY FOR INSPECTORS”**

WHAT IS THE NATIONAL BUILDMASTERS AFFILIATE PROGRAM?

NATIONAL BUILDMASTERS has implemented an exciting new Affiliate Support Program specifically designed for Registered Home Inspectors and others in the engineering, construction, and maintenance communities. This new program means real flexibility, “inspection muscle”, legal protection and greater profits for YOU!

Membership in this program puts National BuildMasters and its architects, engineers, quality builders, tradesmen, high-tech equipment and skilled lawyers right in the trenches with you and ***on your side, where you need them.*** A National BuildMasters Affiliate is given total technical support, inclusive of immediate toll-free access to a panel of experts for technical questions from the field or otherwise, a competent panel to refer clients to for further investigation where the inspector’s proper scope of inspection (and professional insurance) ends, inclusion in the National BuildMasters “preferred list”, training in technical areas no one else can offer, a resource to refer for reliable further testing (getting you “off the hook” for it), including licensed invasive, geotechnical, infra-red, environmental, and other testing for just about any issue, no matter how complex. Best of all you have ***strong legal backup at your fingertips when and if things get sticky!***

WHAT DOES IT COST?

Affiliation costs a modest \$900 per year. For that the Affiliate will get all of the following:

- ⇒ 10 hours of expert trade consultancy or legal consultancy, advice or protection *
- ⇒ 16 hours of technical and legal education
- ⇒ A referral partner for further competent testing of report-writing
- ⇒ Unlimited access to information from National BuildMasters technical archives
- ⇒ Monthly newsletter giving the “heads up” on the latest liability issues and how to avoid them
- ⇒ The unlimited right to use the prestigious National BuildMasters Affiliate logo
- ⇒ AND More, More, More!!!

** Extra hours are available at a reasonable surcharge.*

IS THE AFFILIATION PROGRAM LIMITED?

Yes. Only serious, accomplished people will be approved as Affiliates. National BuildMasters welcomes reputable members to become a part of the leading construction forensic consultancy.

HOW DO YOU SIGN UP?

Simple. Fill in the form below, then include a resume to show you are competent and of good character, attach sample reports, get approved, pay the fee.

I hereby apply to become a National BuildMasters Affiliate. Attached to this form please find a resume for me and my firm showing licensure/ registration dates, experience, education, my special testing equipment (protometer, infra-red camera, mold testing) and training I have. I have also attached 2 sample inspection reports on my two most difficult inspections as samples of my work. If accepted I will remit \$900 and stay in good standing with my agency of registration or licensure. I understand that this fee covers a firm of not more than 4 registrants, licensee or trainees. I will remit the additional annual fee of \$50 for each person over 4 participating in the program. Affiliations stay with the company and not the person working for it. I understand this application and it's attachments are confidential. If I cancel my affiliation, my program rights are terminated and all fees are non-refundable.

In the event National BuildMasters cancels my Affiliation agreement for any reason, my program rights are concluded and I will receive a refund of my annual fee, pro-rata from the date I started to the date I was cancelled. In either event, I will destroy all materials bearing the National Build-Masters logo or name and will not use them in any way thereafter. I understand that the fee is annual and if not paid my Affiliate status terminates, just as a voluntary termination does above. The Affiliate program grants me a permissive, voidable right to use the services offered and logo, but grants me no right to speak or act for National Build-Masters and no interest in the National BuildMasters firm.
